The Geological Society of Australia invites you to participate in Australia's premier geosciences conference: **Australian Earth Sciences Convention – AESC2014**

To be held in Newcastle from July 7-10, the 2014 Convention's theme is Sustainable Australia and the four-day program is to be divided into the following areas of interest:

- Energy
- Resources
- Environment
- Infrastructure, Service & Community
- Dynamic Planet
- Living Earth
- 39th Sydney Basin Symposium
- Comparisons & Contrasts in Circum-Pacific Orogens

Outreach activities include:

- Public Forum: Energy 2050
- Public Lecture Series at Newcastle Museum

Key speakers include:

Professor Iain Stewart,
Geoscience Communication at Plymouth University

Dr Tony Irwin,
Technical Director
SMR Nuclear Technology

Dr Gary Ellem,
University of Newcastle

Professor Ben Hankamer,
University of Queensland,
Institute for Molecular Bioscience

Professor Mike Archer,
Head of the Evolution of Earth & Life Sciences Research Group at UNSW

Dr Chris Pigram,
Chief Executive Officer,
Geoscience Australia

Professor Craig Simmons,
Director,
National Centre for Groundwater Research and Training,
Flinders University

Dr Frank Reith,
CSIRO

Dr Patrice Rey,
The University of Sydney

Mr Tim Sullivan,
Pells Sullivan Meynink
Engineering Consultants

Dr John Vann,
Anglogold Ashanti

Dr Alex Wonhas,
CSIRO

AESC 2014 offers all geoscientists a unique opportunity for professional development and a chance to hear firsthand the latest developments in geosciences.

Abstracts are invited for both oral and poster presentations for the Australian Earth Sciences Convention 2014. Abstracts should be submitted to the themes or symposia and will be organised by the Program Committee into appropriate oral and poster sessions.

Details for Abstract submission including the guidelines are located at <http://www.aesc2014.gsa.org.au>

Registration

Registrations are now open for AESC 2014 and include options for members, one- and two-day registrations, bulk packages and tickets for the Public Forum.

We welcome your participation at the AESC 2014.

Key dates

Abstracts submission closes:
14 March 2014
Acceptance notification:
end of May 2014

Registration Fees

(All prices are in Australian Dollars and inclusive of GST)

Full registration details are available online:
<http://www.aesc2014.gsa.org.au/registration>
